

# See what's possible when you have the financial flexibility to grow your company!

## For Qualified Buyers:

- **A Simple One-Page Application** with credit decisions generally in 2-6 hours
- **No financials required up to \$200,000**, and terms from 24 to 72 months
- **Incredible Tax Benefits!!** Many purchases may be a 100% tax deduction
- **100% Financing**, no large upfront deposits or out of pocket expense
- **New business program up to \$50,000** for companies less than 2 years old

## What Are You Able to Finance?

**The Entire Project** — including the furniture as well as the installation, freight, design and other soft costs you may incur. You may also include additional purchases such modular walls, phone systems, security, software, HVAC, LED lighting, into one affordable payment.
